XXXIII. INTERNATIONAL ECONOMICS CONFERENCE
DECEMBER 28 - 29, 2021
PARIS, FRANCE

XXXIII. ECC 2021, International Economics Conference is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Economics.

Today more than ever before it is extremely important to stay abreast of the changing landscapes of the Economics world. The multidisciplinary focus of this event aims to bring together presenters and attendees from different fields with expertise in various areas of Economics, providing an excellent opportunity to participate in the international exchange of ideas, current strategies, concepts and best practices, collaborations, and cooperation, offering a broader perspective and more enriching experience.
The program includes time allocated for networking, peer-to-peer discussions, and exploring the host city.

We invite the participation of leading academic scientists, researchers and scholars in the domain of interest from around the world to submit original research contributions relating to all aspects of:

- Accounting
